Error Log Entry

What error message did you encounter (if any)?

There was no error message.

What unexpected behavior did your program exhibit?

1. When displaying the final text, the text cut off instead of looping to the next line.

2. The images were too big

What caused the issue? (e.g., syntax error, logic error, incorrect function usage, etc.)

1. Incorrect funtion usage

2. Logic error

Include a screenshot of specific lines of code.

```
1. JLabel display = new JLabel("");
   display.setBounds(23, 163, 306, 69);
   panel.add(display);
```

2. No specific lines of code - just needed to fix images itself

How did you fix the issue?

1. I turned the JLabel into JTextArea - this allowed me to move text to the next line

2. I resized the images in paint

Provide the corrected code or solution using a screenshot.

```
JTextArea display = new JTextArea();
display.setBounds(23, 164, 315, 68);
panel.add(display);
```
